

REMARKS

The Applicant would like to sincerely thank Examiner, Gary Paumen for his thorough examining of the above-referenced application. The Applicant has amended the specification and claims to overcome the Examiner's rejections/objections as follows:

A. Specification

Idiomatic English/Substitute Specification

Per the Examiner's concerns about the above-referenced application being replete with idiomatic English and grammatical errors, the Applicant is submitting a complete substitute specification which addresses all issues involving improper English and improper grammar.. The substitute specification contains no new matter claimed in the present invention.

Drawings

Consistent with the Amendment of the specification being submitted and to overcome the Examiner's objection, the Applicant is submitting replacement drawings to overcome the rejection. The replacement sheets are labeled "Replacement Sheet" in the page header pursuant to 37 CFR 1.84 (c).

Claims

In response to the Examiner's objection of claims 20-38, the Applicant has amended the claims to conform to US standard grammar and terminology.

Conclusion

Because the Applicant has amended the specification, including the claims and has satisfied the Examiner's objection and rejection requirements, the Applicant respectfully

U. S. Serial No. 10/781,667
Advanced Connecteck, Inc.

ask the Examiner to place the above-referenced application in condition for allowance. It is submitted that should there be any problem with this filing, please telephone or fax the undersigned attorney at (301) 317 4399 or (301) 483 6791 respectively. Please address all correspondence to Johnson & Associates, P. C. at 14625 Baltimore Avenue # 282, Laurel, MD 20707.

Respectfully Submitted,

A handwritten signature in dark ink, appearing to read 'Chauncey B. Johnson', is written over a horizontal line. The signature is enclosed within a large, hand-drawn oval.
